

Molina Healthcare Broker Portal

Helping brokers access information easily and quickly

The Molina Broker Portal resources include provider directories, Molina formularies, and the DRX enrollment link. The portal allows brokers to move effortlessly through the enrollment process with a prospect. It also provides a seamless transition between websites so you can assist clients with confidence.

Appointed Brokers can:

- Check ready to ready to sell status
- Get updates on active and expiring licenses and appointments
- Look up current downlines/uplines
- Access marketing and enrollment aids
- Manage your Book of Business
- View commission statements
- Reach out to Molina’s Broker Services; simply click “Email Broker Services” on the vertical menu bar

The screenshot displays the Molina Healthcare Broker Portal interface. On the left is a vertical menu bar with the following items: Carrier Overview, Manager Overview, Individual Overview, My Reporting Hierarchy, My Payee Hierarchy, Email Broker Services, Telephonic Enrollment, 2022 DRX Testing Link, 2022 DRX Link, Molina Provider Directory, and Molina Formulary. The main content area is titled 'Manager Overview' and contains several data cards:

- Marketing Aides** (5 of 6): Includes links for External Link, Special Election Periods, Search Molina Formulary, Find a PCP, Find a Pharmacy, and DRX.
- Contracting Aides** (2 of 2): Includes links for External Link, Litmos Introduction, and Onboarding for Agencies / Principal Agents.
- Commissions Aides** (0 of 0): Includes External Link and No data.
- My Cases** (0 of 0): A table with columns for Key, Name, Type, Status, Created On, and Updated On. The table shows 'No data'.
- Book of Business**: A section with three summary cards: Total Policy Sales, Downline Active Customers, and Downline Expiring Policies.
