

## 2023 Star Ratings

The 2023 Star Ratings sheets have been released by CMS and have been posted on each state's Medicare page on [MolinaHealthcare.com](https://www.molinahealthcare.com). For your convenience, the complete list of hyperlinks to the 2023 Star Ratings is available below.

CMS requires that we provide prospective members with the most up to date information at the point of sale. If your enrollment kits have the 2022 Star Rating Sheets, please add the new 2023 versions to them.
