MISC. MATERIALS – CBO Partnership Brochure (continued)

Since 1980, making sure people can lean on Molina.

Let's work together for greater impact! Molina Healthcare was founded 40 years ago to provide quality care to those who need it most. Today, we serve roughly 3 million members across the U.S. through government-sponsored programs, including a number of Medicare plan choices.

From the beginning, Molina has been committed to giving back. Among other programs, we offer health and wellness education, and sponsor initiatives and events offering free medical services and other necessities to the community.

Let's work together for greater impact!

At Molina, we share your commitment to a healthier community, and cater to the same population. We'd love to partner with you to make a difference in more lives.

We'd like to use our decades of experience in special events and initiatives to add value to the services you offer and pump up participation.

Molina is your supportive partner.

Count on Molina to provide:

- Educational materials about healthy choices
- Special event and initiative sponsorship or participation
- Events to help people understand Medicare benefits
- Introductions to other community partners and resources for you
- Co-marketing promotion for your event and more!

We can't wait to see all the healthy changes we can make—together!

The more tools and information people have, the better equipped they are to take care of themselves and their families. At Molina, we're grateful for all you do to improve our community and we're excited to help you impact more lives than ever!
