Adjust **"Plan/Program"** to the appropriate plan option and **"City & State, County or Zip"** to prospect or provider's area.
 To adjust location info click on existing entry, data will be highlighted in blue, begin entering your info and select best match from suggested list

 English

When you search by county, the zip code shown next to the county name is the central zip code for that county. All results are within a 10-mile radius of that zip code. You may expand the distance to show more results.

Plan/Program
Molina Medicare Choice Care (HMO) City & State, County or Zip
Long Beach, CA - 90802

When performing a search on the POD the 3 main ways of finding a provider are the following:

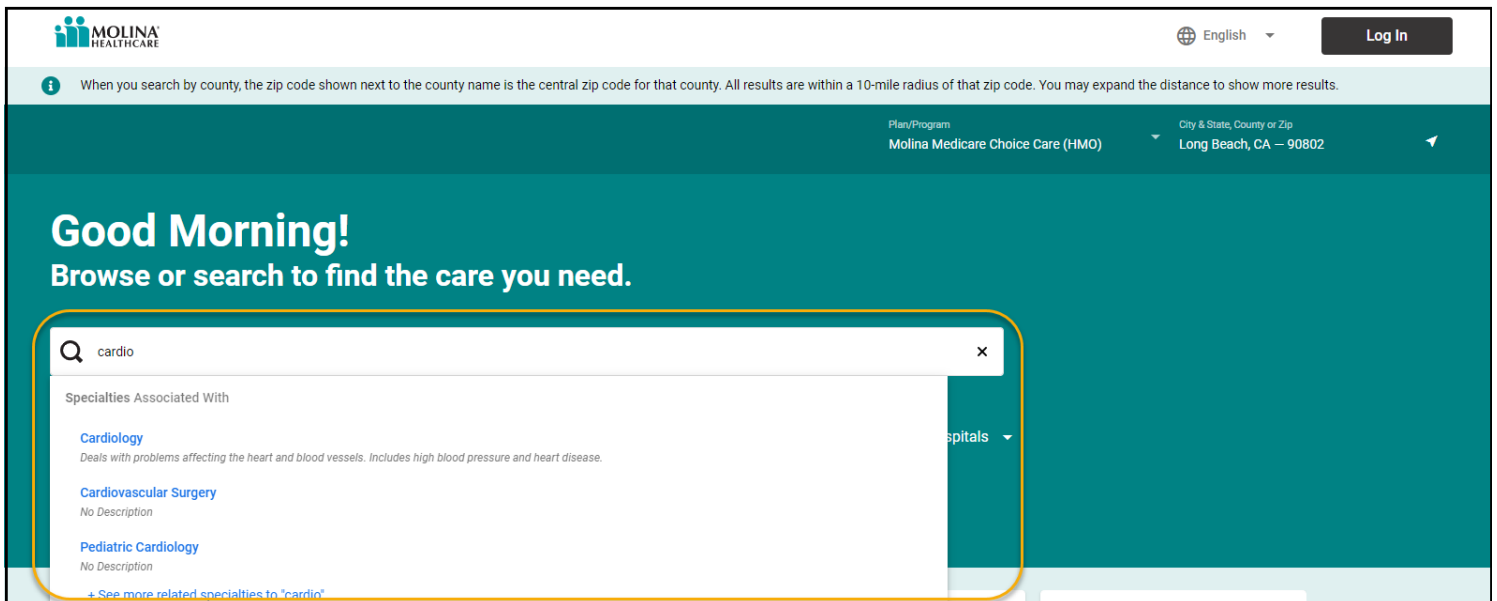

- Search Bar
- Common Searches
- Browse By Category

Search Bar

The free form search bar allows you to search by Specialty, Name, NPI, or Keyword.

Select an item from the Auto Suggest list or if the Enter key is pressed a full-text search will run.

Specialty: Enter specialty name to view suggested entries to select from or press Enter to run a full-text search

 English

When you search by county, the zip code shown next to the county name is the central zip code for that county. All results are within a 10-mile radius of that zip code. You may expand the distance to show more results.

Acupuncture

Treats conditions and alleviates pain by pricking the skin or tissues with small needles.

Once the search results are populated you will find the provider detailed information. Please note that the **“PCP”** identifier must be included in the providers profile to be PCP assignable. **“Accepting New Patients”** is also required for PCP assignment if the prospect is a new patient to that physician.

Matched on: NAME

“View Profile” option will open full profile to view additional detailed information. Menu below shows the listed categories within the profile.

Provider Highlights	Full Name, Location, Phone Number, Get Directions, Languages
Plans/Programs Accepted	Contracted Plans for provider/location
Specialties & Expertise	Specialties/Certifications & Areas of Expertise
Accreditations & Recognitions	Awards
Service Locations & Hours	Hours of Operation & Building Access details “View More Locations” drop-down option.
Affiliations	Medical Group & Hospital Affiliations
More About This Provider	Languages, Limitations, NPI

Attention: California Market Representatives

If the provider is a member of several Medical Group/IPAs at a given service location, that service location will be displayed on the POD for each one of those affiliations. You will now only see one Medical Group/IPA affiliation listed per Service Location entry.

Please make sure that you View More Locations within the provider profile to verify if there is another entry for the same Service Location that may identify a different Medical Group/IPA affiliation.
